Praxis Care Befriending needs Volunteers Could you help?

Befriending provides one to one support and companionship to people who are feeling isolated or lonely as a result of their mental ill health. *Volunteer Befrienders get involved with everyday activities with their Praxis Care friend like: Going for a walk; Meeting for a coffee; Going to the cinema or a local event; Shopping; Playing sport*

Volunteers build friendships which have a lasting positive impact, make a huge difference to the lives of the adults they are matched with, reducing isolation, giving their time, sense of enthusiasm and energy.

Could you get involved?

Donating even an hour or two of your time will make a real difference to someone in your local community who feels isolated and lonely.

To find out more, get a volunteer application form or to speak to someone about the service, contact Catherine on:
