Tearfund Appeal

There is still an opportunity to contribute to the work of Tearfund. This year's appeal is focused particularly on the communities who are suffering because of the worsening drought in Africa. With no harvest the communities have little to eat and nothing to sell. The shortfall between what they have, and what they need, is called the hunger gap. In many parts of Africa this gap in food supply is leading to extreme hunger.

A plate for contributions will be in the foyer over the next few weeks.

Envelopes who wish their donation to be Gift Aided are available.

**Collection event Fri 18 November
